# Glorious Day

I was buried beneath my shame  
Who could carry that kind of weight  
It was my tomb 'til I met You

I was breathing but not alive  
All my failures I tried to hide  
It was my tomb 'til I met You

## **Chorus**

You called my name (and)  
I ran out of that grave  
Out of the darkness into Your glorious day  
You called my name (and) I ran out of  
that grave  
Out of the darkness into Your glorious day

Now Your mercy has saved my soul  
Now Your freedom is all that I know  
The old made new Jesus when I met You

## **(Chorus)**

## **Bridge**

I needed rescue my sin was heavy  
But chains break at the weight of Your  
glory  
I needed shelter I was an orphan  
Now You call me a citizen of Heaven  
When I was broken You were my healing  
Now Your love is the air that I'm breathing  
I have a future my eyes are open

## **(Chorus)**

# *Alive in Christ*

*Written and performed by Gabe Mahalik*

Can't help but praise you Jesus when I think of before  
When I was spiritually dead flatlined on the floor  
I swore I would come back to u my life would be yours  
But first I wanted more of what the world had in store  
Wanted fulfillment at once on the hunt for what I want  
To get high and get drunk drink some beers and smoke some blunts  
Just once but days turned into weeks and weeks into months  
7 years later didn't even know who I was  
Emptiness in my soul neck deep in a hole  
Felt imprisoned in the darkness with no chance of parole  
Hooked on drugs and alcohol depressions takin a toll  
And I thought my only solution was to spark up a bowl  
It would work for a minute but it made things worse.  
So I just did it more and more until my soul was immersed  
I hit rock bottom Satan was overtime at work  
But the joke's on him cuz that's what led me to church  
And that's where God opened up the eyes of my heart  
And told me that he never left and he was there from the start  
And that you can come to Jesus just the way that you are  
And that his death has set me free and that I'm healed by his scars

## **Chorus**

Yeah my biggest problem biggest problem was me  
But Jesus took on all my sin and hung on that tree  
Then he rose again and said to death "where's your victory?"  
Now His Spirit lives within me and I'm finally free

Now ppl wanna know what I'm smilin bout  
Cause God came and saved me when I was wilin out  
I used to spurn his name now I'm callin it out  
Never read the word now that's all I'm about  
I went from drunk and blazed, trippin face at raves  
To filled up with praise cause he changed my ways  
By grace I'm saved and its nothin I did  
Went from smokin trees to a branch abidin  
Walkin in the light aint no more hidin  
Jehovah Jireh guidin always providin  
I was slick with the crime and I was nickel and dimin  
Always sick with the rhymin but now Jesus is shinin

And that's whats up  
Destined for wrath but Jesus drank the cup  
He's got me in is hand and I ain't gon get plucked  
I was stuck on the muck but he lifted me up  
So Ima praise and Ima keep on praisin  
Jesus Christ for his grace cause it's so amazin  
Paid my debt na death couldn't phase him  
So I could live in the same Spirit that raised him  
He the Good Shepherd n I'm just grazin  
knows the stars by name I'm just gazin  
Yea there's days when the fires blazin  
But I can put my trust in the Rock of Ages  
And he'll never let me down  
When the oceans rage he'll never let me drown  
There will be one day he'll never let me frown  
He will wipe every tear and give me a crown  
And we will sing forever  
"Worthy is the Lamb" all the saints together  
There will be no sin every day gets better

The human mind can't measure the kind of treasure  
So you can keep the chain and the wrist watch  
I know this world is only a pit stop  
I'm livin for the world where there ain't no tick tocks  
Paradise no coronas and flip flops  
Seein Jesus face to face  
New sights, new sounds, new smells, new tastes  
New bodies, new colors, new music, new shape  
Ima keep it in mind while I finish this race  
So I press on to the goal  
When times get hard know God's in control  
The hotter the fire the purer the gold  
Till I'm perfect and complete and he makes me whole  
So I lay aside weights and look to Jesus and run  
To the lamb of God who turned me from a slave to a son

### **Chorus**

Yeah my biggest problem biggest problem was me  
But Jesus took on all my sin and hung on that tree  
Then he rose again and said to death "where's your victory?"  
Now His Spirit lives within me and I'm finally free

# Christ is Risen

Let no one caught in sin remain  
Inside the lie of inward shame  
But fix our eyes upon the cross  
And run to Him who showed great love  
And bled for us  
Freely You've bled for us

## **Chorus**

Christ is risen from the dead  
Trampling over death by death  
Come awake come awake  
Come and rise up from the grave

Christ is risen from the dead  
We are one with Him again  
Come awake come awake  
Come and rise up from the grave

Beneath the weight of all our sin  
You bowed to none but heaven's will  
No scheme of hell no scoffer's crown  
No burden great can hold You down  
In strength You reign  
Forever let Your church proclaim

## **(Chorus)**

O death where is your sting  
O hell where is your victory  
O church come stand in the light  
The glory of God has defeated the night

Singing O death where is your sting  
O hell where is your victory  
O church come stand in the light  
Our God is not dead  
He's alive He's alive

## **(Chorus)**

# *What a Beautiful Name*

Death could not hold You  
The veil tore before You  
You silence the boast of sin and grave  
The heavens are roaring  
The praise of Your glory  
For You are raised to life again

You have no rival  
You have no equal  
Now and forever God You reign  
Yours is the kingdom  
Yours is the glory  
Yours is the Name above all names

## **Chorus**

What a powerful Name it is  
What a powerful Name it is  
The Name of Jesus Christ my King  
What a powerful Name it is  
Nothing can stand against  
What a powerful Name it is  
The Name of Jesus

# *All Hail King Jesus*

All hail King Jesus  
All hail the Lord of Heaven and earth  
All hail King Jesus  
All hail the Savior of the world

Let every knee come bow before the King of Kings  
Let every tongue confess that He is Lord  
Lift up your shout let us join with all of Heaven

Singing Holy  
Singing Holy  
Cry out Holy  
Singing Holy

All hail King Jesus  
All hail the Lord of Heaven and earth  
All hail King Jesus  
All hail the Savior of the world

# *In Christ Alone*

In Christ alone my hope is found  
He is my light my strength my song  
This Cornerstone this solid Ground  
Firm through the fiercest drought and storm  
What heights of love what depths of peace  
When fears are stilled when strivings cease  
My Comforter my All in All  
Here in the love of Christ I stand

There in the ground His body lay  
Light of the world by darkness slain  
Then bursting forth in glorious Day  
Up from the grave He rose again  
And as He stands in victory  
Sin's curse has lost its grip on me  
For I am His and He is mine  
Bought with the precious blood of Christ

In Christ alone who took on flesh  
Fullness of God in helpless babe  
That gift of love and righteousness  
Scorned by the ones He came to save  
Till on that cross as Jesus died  
The wrath of God was satisfied  
For every sin on Him was laid  
Here in the death of Christ I live

No guilt in life no fear in death  
This is the power of Christ in me  
From life's first cry to final breath  
Jesus commands my destiny  
No power of hell no scheme of man  
Can ever pluck me from His hand  
Till He returns or calls me home  
Here in the power of Christ I'll stand
